The Seventh Annual Terrington, Wiganthorpe & Ganthorpe Village Produce Show will take place on Sunday 7th September 2025 covering 73 Classes, grouped into 11 broader Categories. The Classes are open to all residents of Terrington, Wiganthorpe or Ganthorpe, past and present, and their friends and families. There are also some Classes that are specifically for juniors and these are open to all juniors aged 16 and under. It will be the third year of "The Courgette Classic" too and it would be great if we could get lots of entries for the races again this year.

We hope you will enter exhibits into the Produce Show and we invite you to take a look through the array of Classes listed in this schedule. An entry form has been included loose within this booklet. Entry of an exhibit into a Class will cost 50p for adults and 25p for juniors. Each person can only submit one entry per Class but can submit entries to as many of the Classes as they like. All the entries will be judged independently and the judges will not know which people have submitted which exhibits.

You can support the event by coming to the show on the day even if you haven't entered an exhibit of your own. Admission to the show will be just £1 for adults and free for juniors. Admission for exhibitors is free.

At the end of the show, exhibits will be raffled off. Money raised will go towards further improvements of the Village Hall. Exhibitors will be given the opportunity to remove their exhibits from the raffle if they want to keep them.

The Categories and Classes are shown on the following pages.

Please note: If you want to enter into class FV15, or if any juniors want to enter classes J6, J12 or J18, you will need to let us know before the end of March so that we can give out seeds, etc.

HINTS FOR EXHIBITORS

Read the wording of each Class carefully: Make sure each of your exhibits complies with the wording and doesn't exceed any stated limits or sizes or weights.

Flowers and Vegetables: The judges will look for regularity and uniformity in an exhibit - each item should be of similar size and quality. Flower petals should ideally not have holes or other damage. Vegetables should look fresh and be edible, clean and trimmed. If picked the night before they are best kept cool and damp. Presentation may be helped by arranging your specimens on a paper plate.

Courgette Classic: Carefully read the criteria that must be met for a courgette to be eligible for racing.

Have A Go: Do please have a go in any of the Classes. You may be surprised how well your exhibits do. The more entries there are, the more fun the show will be so please consider entering something.

“THE COURGETTE CLASSIC” CATEGORY

Entries in this category will be courgettes, suitably modified and adapted so as to be racing vehicles. Each courgette entered will be raced on a purpose-built track in a number of ‘heats’ so please design your vehicles with durability in mind, as well as racing performance!

- Vehicles must be constructed using a whole or freshly carved courgette.
- Courgettes can be shop-bought – they do NOT need to be home-grown by competitors
- The courgette must be the vehicle – specifically, the vehicle’s wheel axles must penetrate the courgette. Just strapping a courgette to a skateboard is not permitted!!
- Vehicles must not exceed 15cm width or 30cm length
- Any decorations must be securely fastened and must not cause the vehicle to exceed the dimensions above
- Vehicles will be inspected by the race officials to determine eligibility. Non-secure decorations may be removed by the race officials
- There will be a maximum of 4 vehicles per race
- The only means of locomotion will be gravity – the track will be sloped with all vehicles in each race released at the same time from a standing start at the top
- Races will generally not be restarted if a vehicle leaves the track but the race officials reserve the right to restart the race depending on the cause of the problem
- If the result of a race is too close to call, a ‘run-off’ race will take place between the tied vehicles.
- The decision of the race officials will be final.

		“THE COURGETTE CLASSIC”	
CC1	(a)	Best decorated courgette vehicle Prize awarded based on creativity of design and decoration. This will be split into two classes: (i) Ages 16 and under (ii) Over 16s	
	(b)	Best performing racing courgette vehicle Courgette vehicles will be raced over a number of ‘heats’. The two most successful vehicles from the entrants aged 16 & under and the two most successful vehicles from the over 16s will go into a final race to determine the overall Courgette Classic Champion!	

TOP TIPS:

- Use wheels big enough to give the ‘chassis’ of the courgette clearance above the track
- Make sure the holes for the axles allow the axles to be level (front view) and parallel (top view). The most successful courgettes run straight. Ones that don’t, wobble and crash!
- Secure the wheels to the axles – lose a wheel and you’ll likely lose the race
- Make your vehicle as close to race day as you can so that it lasts!

Note 1: For class FV15, the Village Hall will supply exhibitors with a seed potato and a bag in which the potato plant must be grown. In the days leading up to the Produce Show, exhibitors will be contacted to arrange a day & time for their entry to be weighed. Two prizes will be awarded - one for heaviest overall yield, and one for the heaviest individual potato from the harvest. Exhibitors need to express interest **by 31st March** either by phoning Jan Pilgrim (01653 648148) or Dave Gaskell (01653 648394) or by emailing terringtonvillagehallinfo@gmail.com so that we can supply your seed potato and bag during April. If you still have a growing bag from last year, please let us know.

Note 2: For junior classes J6, J12 and J18, the Village Hall will supply some sunflower seeds which entrants can then cultivate as they wish. In the few days leading up to the Produce Show, exhibitors will be contacted to arrange a day & time for a visit to measure their sunflowers. A prize will be awarded for the tallest sunflower. Exhibitors wishing to take part in this class need to express interest **by 31st March** either by phoning Jan Pilgrim (01653 648148) or Dave Gaskell (01653 648394) or by emailing terringtonvillagehallinfo@gmail.com. Seeds will be supplied to interested exhibitors in April.
